

Margins Wine | 2023 Rosy Wake | Central Coast

Varietals: 46% Grenache Rosé (Paicines), 25% Mourvèdre Rosé (San Benito County), 15% Négrette Rosé (San Benito County), 6% Barbera Rosé (half from Santa Cruz Mountains, half from San Benito County), 3% Pinot Noir (Santa Cruz Mountains), 2% Grenache (San Benito County), 2% Nebbiolo (San Benito County), 1% Vermentino (San Benito County)

Production: 196 cases

AVA: Central Coast

Vineyard: Many

Farming:

As of 2021 all vineyards Margins works with are farmed organically.

Vinification:

100% destemmed. Fermented and aged separately and blended right before bottling. Aged in neutral oak for 4-4.5 months (depending on the cuvée). Native fermentation, no fining, no filtration, no other modifications or additions except 30 ppm of sulfur dioxide the week before bottling. The Négrette Rosé also received 10 ppm of sulfur dioxide in late November 2023.

Bio:

A chillable tasty morsel! It's a light red or a dark rosé, depending on what you want it to be. Instead of bottling direct-to-press classic rosé this year, I blended some red wine into the rosés to increase body and adjust the hue. It's the first time I've ever done this, and I am very excited about the results. Long live Rosy Wake!
